

4th Grade Weekly Goals

Week Of:
April 18 - 22

Math Learning Goals:

- I can compose and decompose angles.
- I can add and subtract angle measures.
- I can identify parallel and perpendicular lines.
- I can identify different quadrilaterals.

Reading Learning Goals:

- I can jot notes as I read long and tricky passages.
- I can eliminate answers that are unlikely.
- I can be a careful test taker and check over my answers.
- I can keep passages separate in my mind by taking breaks when reading.
- I can build my reading stamina and read different types of text.

Writing Learning Goals:

- I can produce a developed and organized piece of writing that answers a specific question/prompt (PBW).
- I can use information from 2 or more texts on the same topic to write knowledgeably about the topic.

Social Studies Learning Goals:

- I can describe what supply and demand is in economics.
- I can identify goods, services, producers, and consumers.
- I can describe what circular flow is in economics.

Social-Emotional Learning (SEL):

- I can follow directions the first time (Be RESPECTFUL).

Other Information:

- We are looking for parents who could donate WRAPPED hard candy, suckers, mints or gum for students to have during our M-Step testing, as a special treat and motivation. If you are able to donate, please send any of these items in at your earliest convenience. Thank you SO much!
