

# 4th Grade Weekly Goals

Week Of:  
December 13 - 17

## Math Learning Goals:

- I can solve division problems using the place value sections method, expanded method, or digit-by-digit.
- I can solve division word problems and make sense of remainders.
- I can do my personal best on my Unit 3 math test.

## Reading Learning Goals:

- I can grow ideas about what I've read in my non-fiction book.
- I can share about what I've learned during my reading of non-fiction (reading project).

## Writing Learning Goals:

- I can publish my opinion essay using technology.
- I can share my opinion essays with others (Writing Celebration).

## Social Studies Learning Goals:

- I can review for my United States Geography test.
- I can do my personal best on my United States Geography test.

## Social-Emotional Learning (SEL):

- I can share about things I'm proud of about myself (hobbies project).
- I understand the benefits of following directions in the classroom (SOAR lesson).

## Other Information:

- We will be making Holiday Houses as part of our class party on December 17. Our class is in need of some donations in order to make our Holiday Houses. Please send in all donations by Monday, December 13. Here is a link to sign up for donations or volunteering: [Holiday House Sign Up](#)  
THANK YOU in advance, for your help!
