

4th Grade Weekly Goals

Week Of:
February 21 - 25

Math Learning Goals:

- I can add and subtract mixed numbers.
- I can multiply fractions by a whole number.
- I can practice all the fraction concepts I've learned.

Reading Learning Goals:

- I can describe the characteristics of historical fiction.
- I can create a plan for reading my historical fiction book with my book club.
- I can track story elements to build my understanding of historical fiction.

Writing Learning Goals:

- I can revise and edit my informational essay.
- I can publish my informational essay using technology.
- I can give feedback to others about their informational essays (Writing Celebration).

Science Learning Goals:

- I can describe different types of erosion (wind, water, glacial, mechanical).
- I can describe how erosion is responsible for different land formations.

Social-Emotional Learning (SEL):

- I can describe my best self.
- I can describe what a meta-moment is (how we respond to emotions we experience).

Other Information:

- We are running low on our class supply of snacks. If you are willing to donate a box of granola bars or other individually wrapped snacks to our classroom, I'd really appreciate it! THANK YOU!
- Parent-teacher conferences are coming up on March 1 and 3. You will have the option of signing up for an in-person or virtual conference. Look for a sign up email link to be sent home soon. I look forward to meeting with you to discuss your child's progress.

Monday	Tuesday	Wednesday	Thursday	Friday
