

4th Grade Weekly Goals

Week Of:
January 10 - 14

Math Learning Goals:

- I can use comparison bars to solve word problems.
- I can use data from graphs to solve word problems.
- I can solve 2-step word problems.

Reading Learning Goals:

- I can tackle the hard parts of reading non-fiction texts.
- I can notice if my text is hybrid (a mix of fiction and non-fiction).
- I can look in or around an unknown word to determine the meaning.
- I can write a summary of my non-fiction book that includes the main idea and key details.
- I can organize and plan for my non-fiction reading research about a weather topic.

Writing Learning Goals:

- I can plan my literary essay using boxes and bullets.
- I can include a strong introduction that includes an opinion statement in my literary essay.
- I can give reasons and evidence from a story to support my opinion statement (including a direct quote).
- I can write a strong conclusion that restates my opinion in my literary essay.

Science Learning Goals:

- I can describe different types of rocks and how rocks change over time (rock cycle).

Social-Emotional Learning (SEL):

- I feel satisfied when I set and achieve goals.

Other Information:

- South has openings for Copy Volunteers. If you are interested in helping, here's a link to sign-up: [Copy Help](#)
- South is having a Family Movie Night on January 27. Here's a link to RSVP: [Family Movie Night](#)
- If you are willing to donate aluminum foil or thick popsicle sticks for an upcoming project, please email me and let me know. Thanks, in advance, for your help!
