

4th Grade Weekly Goals

Week Of:
January 17 - 21

Math Learning Goals:

- I can solve 2-step word problems.
- I can solve multi-step word problems (up to 5 steps).
- I can solve equations with variables.

Reading Learning Goals:

- I can organize and plan for my non-fiction reading research about a weather topic.
- I can read multiple texts about a non-fiction topic.
- I can use writing to grow ideas about my non-fiction topic.
- I can tackle complex passages by reading small parts at a time.

Writing Learning Goals:

- I can give reasons and evidence from a story to support my opinion statement (including a direct quote).
- I can write a strong conclusion that restates my opinion in my literary essay.
- I can revise and edit my literary essay.
- I can use technology to publish my literary essay.

Science Learning Goals:

- I can describe different types of rocks and how rocks change over time (rock cycle).

Social-Emotional Learning (SEL):

- I feel satisfied when I set and achieve goals.
- I can show GRIT when things are difficult.

Other Information:

- South is having a Family Movie Night on January 27. Here's a link to RSVP: [Family Movie Night](#)
- South is having a Family Bowling Event on February 19. See the attached flyer for more information on how to sign up for the event.
- Our class is running low on spare snacks (for if a student forgets a snack). If you are able to donate a box of granola bars or fruit snacks, I'd appreciate the help.
