

4th Grade Weekly Goals

Week Of:
January 31 - February 4

Math Learning Goals:

- I can review for my Unit 4 math test.
- I can do my personal best on my Unit 4 math test (word problems, equations, and patterns).
- I can identify fractions as parts of a whole.
- I can understand fractions as sums of unit fractions.
- I can add or subtract fractions with like denominators.

Reading Learning Goals:

- I can take structured notes for my weather research.
- I can evaluate the credibility of my sources for my weather research.
- I can analyze the authors' craft techniques in my non-fiction books.

Writing Learning Goals:

- I can write an on-demand informational essay to show all that I know about informational writing.
- I can compare/contrast an informational essay with an opinion essay.
- I can select a topic I know a lot about for my informational essay.

Science Learning Goals:

- I can describe how Pictured Rocks changed over time.
- I can explain how potholes are formed.

Social-Emotional Learning (SEL):

- I can be an advocate at school.
- I SOAR at South by encouraging others with kind words and actions.

Other Information:

- South is having a Family Bowling Event on February 19. See the attached flyer for more information on how to sign up for the event.
- In a few weeks our classes will begin our study of historical fiction in reading. Please read over the this letter about our unit and let us know if you have any questions: [Historical Fiction](#)
- During our SEL units we will be working on continuing to build a caring classroom and school community. For more information on our upcoming units, see this link: [SEL Units](#)
- Please remember to send in a cereal box by February 8. We will decorate it to use for mailing our Valentines.
