

# 4th Grade Weekly Goals

Week Of:  
May 16 - 20

## Math Learning Goals:

- I can identify metric measurements of volume and mass (mL, L, g, Kg).
- I can solve problems involving elapsed time.
- I can identify customary units of length (in, ft, yd, mi).
- I can identify customary measurements of weight (ounces, pounds, tons).

## Reading Learning Goals:

- I can notice that the subject of a biography often faces challenges in life.
- I can ask myself, "Who influenced the person?" In the biography I'm reading.
- I can work hard to determine the meaning of a tricky word.
- I can use a biography to teach me information about the world or time period.

## Writing Learning Goals:

- I can doodle to generate ideas for a graphic novel.
- I can create conflicts to spark stories.
- I can plan a graphic novel, using book mapping, thumb-nailing and scripting.
- I can draft my graphic novel, using all I know about good graphic novels.

## Social Studies Learning Goals:

- I can do my personal best on my economics test.
- I can create a business plan for Market Day.

## Social-Emotional Learning (SEL):

- I can be **RESPECTFUL** by using kind words.

## Other Information:

- We will have an end of 4th grade celebration lunch and playtime at Hughes Park on June 2 (rain date: June 3)- our date needed to be adjusted, so note the change. A hotdog, chips, drink and a cookie will be provided for your child. If your child would prefer to bring a sack lunch, he/she is welcome to. Please email me if you'd like to come to the park with us, parents are welcome to join!
- If you are able to donate a box of granola bars or other individually wrapped snacks for class snacks, I'd appreciate it. **THANK YOU!**
