

# 4th Grade Weekly Goals

Week Of:  
October 11 - 15

## Math Learning Goals:

- I can estimate to check my products.
- I can use the expanded notation method to multiply big numbers.
- I can use the algebraic notation method to multiply big numbers.
- I can use the shortcut method to multiply big numbers.

## Reading Learning Goals:

- I can determine the theme of my story, with evidence to support my thinking.
- I can analyze the symbols in my book. What do they really mean?
- I can identify the point of view of my book (first or third person point of view).

## Writing Learning Goals:

- I can draft my realistic fiction story using the 5 senses.
- I can include proper paragraphing in my story.
- I can punctuate dialogue correctly in my story.
- I can write a strong ending for my realistic fiction story.

## Science Learning Goals:

- I can identify internal and external structures that support the survival of animals.
- I can identify the adaptations of an animal.

## Social-Emotional Learning (SEL):

- I can offer advice to others about how to use the Mood Meter to regulate my emotions.

## Other Information:

- Our school Walk-a-Thon is scheduled for Oct. 14. Remember to sign your child up using this link, if you haven't yet: [Fun Hub](#) website, using this school identifier: 5d2ccdad1d80. Our school has already raised over \$18,000! THANK YOU for the support!
- Our PTC is hosting a Trunk-or-Treat at South on October 26. To RSVP and/or sign up to help, use this link: [Trunk or Treat](#)
