

4th Grade Weekly Goals

Week Of:
October 25 - 29

Math Learning Goals:

- I can use the area model, expanded notation, algebraic notation, or the shortcut method to multiply.
- I can estimate to check products.
- I can solve 2-digit by 2-digit multiplication problems.

Reading Learning Goals:

- I can identify and describe the purpose of non-fiction text features.
- I can build my reading stamina for non-fiction texts.

Writing Learning Goals:

- I can give feedback to others about their realistic fiction story.
- I can write an on-demand personal narrative that demonstrates all I know about narrative writing.

Science Learning Goals:

- I can identify internal and external structures that support the survival of animals.
- I can describe why scientists would help modify animal structures (bioengineers).

Social-Emotional Learning (SEL):

- I can recognize what it means to be 'engaged' and identify interests that engage me.

Other Information:

- A BIG THANK YOU to all who supported our school's Walk-a-Thon! Our PTC raised over \$23,000; all of which will go back to help our school.
- Our PTC is hosting a Trunk-or-Treat at South on October 26. To RSVP and/or sign up to help, use this link: [Trunk or Treat](#)
- We are going to have a fun flashlight writing & reading time on Halloween. Please send your child with a flashlight on Halloween to read with, if possible. Thank you!
