

4th Grade Weekly Goals

Week Of:
September 13 - 17

Math Learning Goals:

- I can solve multi-digit addition problems.
- I can use estimation to check my addition problems.
- I can compare multi-digit numbers.

Reading Learning Goals:

- I can read intently (pay attention to the text, reread when confused, notice important parts).
- I can do a chronological or synthesis retelling of my book.
- I can envision my story as I read.
- I can set my personal goals for envisioning my story as I read.

Writing Learning Goals:

- I can plan my personal narrative using a story mountain.
- I can write scenes, not summaries, in my personal narrative.
- I can include sensory details in my personal narrative.
- I can include dialogue, thoughts, and feelings in my personal narrative.

Science Learning Goals:

- I can describe how the structures of plants support survival.

Social-Emotional Learning (SEL):

- I can explain how different emotions affect me differently.

Other Information:

- Please remember that your child's goal for reading at home is to read at least 100 minutes total per week. Please write in the minutes and initial it in your child's agenda on the days he/she reads at home. Thanks for supporting your child's reading at home!

Monday	Tuesday	Wednesday	Thursday	Friday
	4A- Library	4C- Library	4B- Library	*Early Release- Students Dismissed at 12:15 *Constitution Day- Ask your child what they learned about the Constitution!
