

# 4th Grade Weekly Goals

Week Of:  
September 6 - 10

## Math Learning Goals:

- I can identify place value to the millions.
- I can round multi-digit numbers to the nearest 10, 100, or 1,000.
- I can compare numbers.

## Reading Learning Goals:

- I can choose a just right book.
- I can read at a good pace for longer periods of time (reading stamina).
- I can use my reading response notebook to track my thinking as I read.
- I can talk with my reading partner about the book I'm reading.

## Writing Learning Goals:

- I can generate ideas for a personal narrative.
- I can plan my personal narrative using a story mountain.

## Other Information:

- Please consider packing your child a beach towel or small blanket in their backpack. If we decide to learn outside, it will be nice to use for your child to sit on. These will be kept at school in their locker.
- Your child will bring home an index card today with their school username, password, and email address on it. Please **SAVE** the index card in a safe spot at home, in case we ever need to return to remote learning and you need to reference it. **THANK YOU!**
- Our school is looking for parents to help with running copies for classes. If you are interested, here is a link to sign-up: [Copy Help Sign-Up](#)

Monday	Tuesday	Wednesday	Thursday	Friday
*No School! Have a nice Labor Day Weekend!
